Best Revenue Generation Tool for News Reporters

Monetize Your Content

Create new revenue streams by leveraging your existing network and followers

Maximize Revenue

Increase income through ads, premium content, & subscription models. (Both: existing and aspiring news creator)

Revenue Assurance (₹25,000 to ₹50,000)

Based on our experience, if 1,000 users visit your website/app twice a day, we can help you to earn between Rs.25,000 to Rs.50,000 per month through Google AdSense and Meta

Extraordinary Benefit

Content on Your Own App/Website

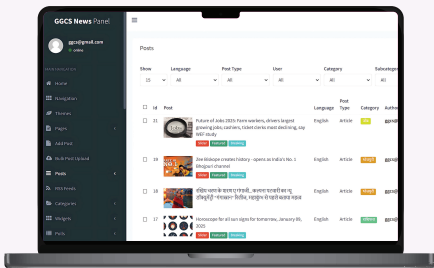

IMPORTANT POINT: Hosting your content on your own app or website can earn you up to 20 times more than YouTube or other social media platforms

Future Avenues

- **Business Expansion:** Form multiple teams with clearly defined roles and responsibilities
- **Increased Funding Potential:** High chances of securing funding for future growth due to the use of organized, high-end software
- **Career Opportunities:** Aspiring individuals can convert into a full-fledged news agency
